## National Debt Counsellors

Send

**Reduce your payments to an amount you can afford and provide immediate protection to you and your assets.**

We help thousands of South Africans every month to regain their financial freedom and become debt free.

We have excellent relationships with all major credit providers and negotiate with them on your behalf to reduce your installments to an amount you can afford. Upon completion we clear your credit record.

Contact us today for a no obligation free assessment of your financial situation.

## How it Works

Watch this short video to learn more about how the debt review process works.

### Reduce

## WE NEGOTIATE FOR YOU

We negotiate with your creditors on your behalf to reduce your monthly repayments to what you can afford. This means no more harassing phone calls.

### Protect

## PROTECT YOUR ASSETS EASY MONTHLY INSTALLMENT

We can help protect your assets, such as your house and car. While under debt review these assets are protected from legal action.

### Consolidate

We consolidate all your debts into one easy monthly installment. When your debts are paid we apply to clear your credit record.
